**SNOW EMERGENCY RULES**

Snow removal (curb to curb) will take place Friday, January 26th, Monday, January 29th and Tuesday, January 30th. Each day is assigned a designated zone that cars cannot park in between the hours of 7:00am-7:00pm.

All residents and guest vehicles cannot park in the designated zone area between the hours of 7:00am-7:00pm; any remaining vehicles will be towed and will be charged up to \$150.

Cars in the "snowbird lot" on the north end will not be required to be moved, but the road will be plowed. This is only for vehicles who have paid for this service.
